BETTER YET, AUTOMATE YOUR REWARDS WITH PREMIER BUILDER

Our Premier Builder App is an easy-to-use point program that rewards you for buying VERSATEX. Just download the app on your Apple or Android device, enroll, submit receipts through our picture interface, and receive 1 point for every $1 you spend on VERSATEX.* As you accumulate points, you'll be able to redeem them for prizes like tools, electronics, sporting equipment, and more.

Additionally, extra rewards are available that don't require point redemption - like your $100 check and a welcome package after earning 1,000 points+! You can also achieve escalating status levels based on lifetime spending, which comes with marketing support programs to help you grow your business.

Visit versatex.com/premier for more information!

* Receipts dated up to two weeks prior to enrollment will be eligible for points

+ Only users that have never received a VERSATEX incentive will be eligible for this rebate.
