Customer Applies

No paperwork required.
Customer applies by mobile app, online, or by phone.

Customer Gets Approved

Credit decisions delivered within seconds. Approved customer receives Account Number.

You Get Funded

Process Account Number just like you would a regular credit card.

Frequently Asked Questions

Q: Why should I offer financing?

Offering financing gives your customers more options to pay for their dream project. With so many credit plans to choose from, you can present the best plan to meet your customers' needs.

Q: How does my customer pay me?

Once approved, your customer is given an Account Number. You simply use this number as you would a regular credit card with your merchant processor.

Q: Do you have No Interest/No Payment plans?

Yes, we are the industry leader in providing No Interest/No Payment plans in the United States.

Q: My customers pay cash, so why should I offer financing?

Offering payment plans keeps the focus on your service instead of the price. Your customers can always choose to pay with cash, but with financing you can increase their buying power and improve the appeal of your company.

Q: How long does it take for me to get paid?

Your customer will be able to pay you immediately upon approval. All you need is the customer's authorization and your credit card processor to accept payment right away.

Q: How does GreenSky increase sales?

Customers prefer payment options for major purchases to increase their buying power and fit their budget. GreenSky offers multiple plans including no interest/no payment options, low interest, and fixed payments to meet any needs.

Q: How do I offer my customers GreenSky financing?

1. Apply to become a GreenSky contractor
2. Use our mobile app, online application or phone number to offer financing to your customer
3. Close the sale and give your customer the products and services they need!
