VERSATEX MAKES TRIM SMARTER

VERSATEX is created from cellular PVC, making it moisture and insect resistant while still featuring the real cedar look and wood working characteristics a fine builder or craftsman desires. No more warping, cupping, or splitting – just a Trimboard with high aesthetic value backed by a lifetime warranty.

As a company, VERSATEX is a proven leader with an unmatched service platform and best-in-class product quality. Our focus is the cellular PVC trim market, and our strength is our experience and flexibility to continually introduce innovative solutions for builders, contractors and architects. We place a high value on listening to our customers and reacting to their needs.

WE’RE RIGHT THERE WITH YOU

Download our apps and keeps us by your side!

Our Contractor Handbook App provides an electronic easy-to-reference version of our Contractor Handbook, as well as links to technical documents, drawings, inspiration, and more.

Our Premier Builder App allows builders and contractors to earn points for purchasing VERSATEX products from our stocking dealers. Points can be redeemed for prizes, and lifetime point earnings qualify you for escalating status perks.
