EVERY CUSTOMER IS UNIQUE.
WITH MIXED NUTS, SO ARE YOUR UNITS.

We LESSEN Your BURDEN

At VERSATEX, we know that inventory dollars and floor space are at a premium, so we created custom packaging to help our dealers stretch them further. Priced the same as a full unit, we created the Mixed Nuts program, one of the industry's only factory-built blended units, which reduces inventories by offering up to eight different sizes of boards in one neat factory-sealed unit. With over 600 different Mixed Nut combinations available, we guarantee that our units will fit the unique needs of your customers while also lessening your burden.

* Specified tallies can be changed by request.

**To Customize:**
- Chose any ONE thickness of trim per Mixed Nut unit
  - (5/8", 3/4", 5/4")
- Calculate tallies by row
- Row heights never change (minimum one row per any SKU required)
  - 5/8" = 20 pieces/row
  - 3/4" = 17 pieces/row
  - 5/4" = 12 pieces/row
- Add up “actual” thickness of each board

- Stay between 45" - 48" for your total width

**Example:** 3/4" custom Mixed Nut

- 3 rows of 4"
  - (3 1/2" + 3 1/2" + 3 1/2")
- 2 rows of 6"
  - (6 1/2" + 6 1/2")
- 2 rows of 8"
  - (7 1/4" + 7 1/4")
- 1 row of 12"
  - (11 1/4")

**Tally = 51 pieces of 4"**

- 34 pieces of 6"
- 34 pieces of 8"
- 17 pieces of 12"

**47.25"**

EVERY CUSTOMER IS UNIQUE. WITH **CUT-TO-LENGTH**, SO ARE YOUR UNITS.

**We Go to ANY LENGTH to SERVE YOU**

Help eliminate waste on the job site with VERSATEX's cut-to-length program, which makes it easier for our customers to order what they need to the inch in unit quantities at no extra cost. Our cut-to-length program is perfect for commercial, multi-family projects and other large jobs, and it’s a great resource for beaded porch ceilings, multiple windows, fascia applications, and sheet lengths for bay windows and recessed paneling.

**Parameters:**
- Available for all sizes of boards, sheets, beaded profiles, stealth, and corners
- Product can be cut to the desired inch and will be priced accordingly (length tolerance + 1" - 0")
- Minimum requirement is half a unit of any one SKU (full rows required) length must be between 6’-24’
- Allow 3 weeks for delivery

**Savings Analysis**

**Example:** 14'6" trim optimal for project

60 pieces: 1" X 8" X 18' Trim @ $50.40 each ($2.80 per foot) = $3,024

60 pieces: 1" X 8" X 14'6" Trim @ $40.60 each ($2.80 per foot) = $2,436

**$588 Material Savings!**
